

Admission Ticket release – 29 August 2018

GAMSAT September 2018 Admission Ticket now available

Your online Admission Ticket is now available. To collect it please [log in to your account](#). Your **username is the email address** registered on your account. If you do not remember your password please click 'Reset my password' on the login page and enter your registered email address.

The Admission Ticket will tell you exactly where and at what time to report on the day of the test. It also contains your personal details.

Changes to test centres are no longer possible.

This Admission Ticket is your permission to attend the test centre and **MUST be printed out and taken with you on the test day**. Electronic versions of the Admission Ticket will **not** be accepted.

Make sure you print your Admission Ticket on a new sheet of paper. **Before you print the Admission Ticket, check that both sides of the paper are blank.** Admission Tickets may be printed in black and white; you do **not** need to bring a colour printout.

Please check your Admission Ticket carefully and email the GAMSAT Office (gamsat@acer.org) **immediately** if there are any errors. Please note that the **first and last name** on the identification document that you will use on the test day **must match** the name on your Admission Ticket. **It is not necessary for your other names (including middle names) to appear on the Admission Ticket or ID document.** Your other names, if provided when you created your account, will however be printed on the Attendance Rolls given to the test centre supervisors so that they can be checked on the day should there be any issues matching your Admission Ticket and your identification document.

If any changes are required to your name, date of birth or gender, please email the GAMSAT Office no later than Monday 3 September 2018.

Please fill in your identification document number manually (e.g. licence number), sign your Admission Ticket and have it ready with you on the test day.

Do not write anything else on your Admission Ticket at any time before or during the test or lunch break.

PLEASE NOTE: If you cannot access your Admission Ticket, please check your account to see if you have completed the required information for your identification document (document type and expiry date). If your identification document details have not been entered, you will **NOT** be able to access your Admission Ticket. To update your details, please log in to your account and click on **"Manage"** next to your completed registration in your dashboard, then on **"Edit"** below **"Registration details"**. Please ensure that the document expiry date is correct and entered in the format **DD-MM-YYYY**.

If you have issues accessing your Admission Ticket, you should email the GAMSAT Office by Monday 3 September 2018. **Please do not leave this to the last minute.**
