Please read this email carefully as it contains important information for GAMSAT March 2022.

Below are some tips that may be useful in your final preparations for the test day:

- Please note you cannot access your Admission Ticket until you have completed the ID document details (ID type and expiry date) in your online registration form. To add or update your details, please log in to your account and click on "Manage" next to your completed March 2022 registration in your dashboard, then on "Edit" below "Registration details". The Admission Ticket will be updated automatically with your new details; please redownload and print your updated Admission Ticket.
- Print your Admission Ticket on a blank piece of paper and complete your ID document number (e.g. licence number or passport number) and signature manually after printing the Admission Ticket.
- The onus is on candidates to get themselves to and from the test centre; please do not contact the GAMSAT Office for advice on parking at the venue. Instead, please refer to the maps made available in the Admission Tickets release email and make the appropriate arrangements.
- You must report to the test centre at the time stated on your Admission Ticket, but it is not necessary to arrive before that time. The test itself will start as soon as all pre-testing procedures are completed. If you report to the centre after all candidates have been admitted to the testing room, you may not be admitted. No latecomers will be admitted once testing time has started.
- The GAMSAT test is made up of approximately 5.25 hours of test time, this includes 21 minutes of "reading time", and an hour lunch break. It is not possible to guarantee start and finish times in case unforeseen delays occur. Care should be taken when making return travel arrangements to allow adequate time at the test centre. You should anticipate being at the test centre for at least 8 hours.
- GAMSAT is a high stakes test administered under secure test conditions. You may not leave the test centre before the full testing time has elapsed, except in case of illness. Candidates leaving before the start of Section III will not receive their GAMSAT scores. Candidates leaving during Section III due to illness are expected to provide a medical certificate explaining their need to leave the test centre. This must be provided within three (3) days of the test date to the GAMSAT Office by email; failure to do so may result in scores being withheld. Once a candidate has departed the test centre it is not possible to re-enter and continue with the test.
- There is NO break between Section I and Section II; you must remain at your desk while the Section II test is accessed on your device and the full group are ready to start. You are still under exam conditions during this time and for security reasons you will not be allowed to leave your desk and go to the toilet.
- Candidates may use the bathroom during testing time, but this will not be permitted during the first and last ten minutes of each section. Please raise your hand to gain the attention of a supervisor and wait for their approval before leaving your seat at any time during the test. No additional time will be granted for bathroom breaks.
- We are aware that many candidates are planning to bring and wear disposable ear plugs. Please note, while this is permissible, if a candidate does not take an action as instructed by a supervisor immediately, for example, submission of their test when told to. Not adhering to instructions due to earplugs will NOT be deemed a suitable excuse. Candidates MUST follow the instructions of supervisors at all times.
Candidates will not be admitted to a test centre if:
- they are unwell or have any COVID-19 symptoms
- they have been tested as COVID-19 positive in the seven (7) days prior to the test day;
- they are required to isolate as a close contact;
- All candidates are required to provide contact details and sign a declaration confirming that they understand and agree to the above entry requirements.
- Candidates may leave the test centre during the break.
- You must follow the instructions of the test supervisors at your test centre at all times.
- Reminder that all centres will undergo frequent cleaning and disinfection. Hand sanitising stations will be provided at all locations. Social distancing precautions will be strictly enforced.
- **Where mandated by the relevant test centre locations public health advice, a face mask must be worn at all times.**
- NOTE: If you are denied entry due to not meeting the test centre COVID-19 entry requirements, you will need to contact the GAMSAT Office via email within three (3) days of your test date.
- For the safety and wellbeing of everyone, please read the [GAMSAT Test centre COVID-19 policy](https://www.gamsat.com.au/faq). If you are unwell – **DO NOT ATTEND** – instead, contact the GAMSAT Office for advice on or before the day of your test. **Candidates who do not attend their allocated session due to illness must contact the GAMSAT Office via email no later than three (3) days after their test day.**

Regards,

The GAMSAT Team
