

Subject: GAMSAT March 2023 – Reminder Email 1

Dear GAMSAT Test taker,

This email contains important information about your upcoming GAMSAT March 2023 test sitting.

Your admission ticket has now been released. It contains the address of your test centre, as well as your arrival time.

1. Please read it carefully to ensure your first and last name match the ID you will be showing at registration on your test date.
2. To access your admission ticket, please log into your registration account, and complete your ID information. You will not be able to access your admission ticket without doing this.
3. Print your admission ticket on a blank piece of paper, or download a copy to your phone to show at registration.

Please ensure that you have an accepted form of ID with you on your test day. For a list of accepted ID documents, please refer to the GAMSAT information booklet. You will not be permitted to enter the test centre without an accepted ID document and your admission ticket, and you will forfeit your registration fee. Digital ID documents, where they are government issued, will be accepted. Photocopies or photos of documents will not be.

There is only one test running each day. You will need to be at your designated test centre at the time designated on your admission ticket. If you show up to a test centre on a day that you are not registered for, you will not be permitted to sit.

Please allow the day for your GAMSAT sitting. There is approximately 5.25 hours of testing time, plus an hour lunch break. Pre-testing procedures can also take some time, and are repeated after the lunch break. We cannot guarantee start and finish times, and you will not be permitted to leave the test centre before the full testing time has elapsed. Take care when making travel arrangements, and anticipate being at the test centre for at least 8 hours from arrival time.

Regards,

The GAMSAT Team
ACER
