

**Subject:** GAMSAT March 2023 – Reminder Email 2

Dear GAMSAT Test taker,

Please read this email carefully as it contains important information for your upcoming GAMSAT March 2023 test sitting.

Your admission ticket has now been released. It contains the address of your test centre, as well as your arrival time.

Please ensure that you have an accepted form of ID with you on your test day. For a list of accepted ID documents, please refer to the GAMSAT information booklet. You will not be permitted to enter the test centre without an accepted ID document and your admission ticket, and you will forfeit your registration fee. Digital ID documents, where they are government issued, will be accepted. Photocopies or photos of documents will not be.

For information on permitted items, including items allowed during testing, please refer to the GAMSAT information booklet.

Please allow the day for your GAMSAT sitting. There is approximately 5.25 hours of testing time, plus an hour lunch break. Pre-testing procedures can also take some time, and are repeated after the lunch break. We cannot guarantee start and finish times, and you will not be permitted to leave the test centre before the full testing time has elapsed. Take care when making travel arrangements, and anticipate being at the test centre for at least 8 hours from arrival time.

We wish you luck with your test.

Regards,  
The GAMSAT team
