

Reminder Email No. 1 – 1 September 2020

Dear GAMSAT candidate

Please read this email carefully as it contains important information for GAMSAT September 2020.

Admission Ticket

Your GAMSAT Admission Ticket will include the test centre address, date/time of your test session and will be available for download through your account **three weeks before the test date**. ACER will randomly allocate candidates to testing venues and sessions in their selected test centre location. This is subject to candidate demand and the availability of testing venues at that location (this is not negotiable). You will receive a notification to your registered email address when your Admission Ticket becomes available.

Timing of the test

All candidates need to be at their designated test centre by the **arrival time given on their Admission Ticket**. The GAMSAT test is made up of (4.45) hours of test time which includes 19 minutes of reading. There will be a recess break between Section 2 and 3. Pre-testing procedures should be faster for GAMSAT September 2020 as there will be fewer candidates per testing venue than in previous years. However, it is not possible to guarantee start and finish times just in case unforeseen delays occur. Care should be taken when making return travel arrangements to allow adequate time at the test centre. You should anticipate being at the test centre for at least 6 hours. You may not leave the test centre before the full testing time has elapsed. At the completion of your session please ensure you leave the venue immediately.

Identification document

On the day of the test you will be required to show either:

- a current passport, or
- a current, photo-bearing driver's licence (learner's permit, probationary or full licence), or
- a current, photo-bearing [Australian Keypass](#) / [Australian Proof of Age Card](#), or
- a current, photo-bearing [New Zealand 18+ Card](#), or
- a current EU/EEA National Identity Card
- a current Irish [Public Services Card](#)

The photograph in your identification document must be recognisable as a likeness to you as you are on the day of the test. **No other form of identification will be accepted.**

If you do not have one of these forms of identification, please allow enough time to organise one before the test date as you will not be able to enter the test centre without an approved form of identification. Some of these identification documents can take approximately a month to obtain.

Digital formats of identification, photocopies of documents, student ID cards or expired documents are not accepted. **If you do not present one of the above identification documents together with your printed Admission Ticket, you will not be able to sit GAMSAT and your registration fee will be forfeited.**

Regards,

The GAMSAT Team
ACER
