Please ensure that your first and family name and date of birth on the Admission Ticket are correct and match your ID document. Middle names are not required on your Admission Ticket or account, even if they appear on your ID document. If you require any changes to your personal details, **please email us immediately at gamsat@acer.org.** Changes to test centre and session are no longer possible.

If you need to **update your identification document details**, please log in to your account and click on "Manage" next to your completed September 2021 registration in your dashboard, then on "Edit" below "Registration details". It is recommended that you have a good breakfast and take a snack to eat in the registration queue if you cannot wait until the break between Section 2 and Section 3. There may not be canteen facilities at the test centres. You are advised to bring lunch, but you will not be able to access it until the break.

Please note large spaces like test centres can be difficult to heat/cool. **To avoid being too cold or too hot, it is recommended to wear layers, which will allow you to adjust your own comfort level.**
