

Reminder Email No. 3 – 4 September 2017

Dear GAMSAT candidate

Please read this email carefully as it contains important information for GAMSAT on Wednesday 13 September 2017.

GAMSAT is a high-stakes test. Therefore, ACER in conjunction with the graduate-entry schools has established security procedures which will be strictly enforced at all times.

Misconduct (whether occurring prior to, during or after the GAMSAT test) means any unacceptable conduct or any conduct that might result in unfairness or inaccurate results, such as, without limitation:

- breach of any of the security arrangements for the GAMSAT test
- impersonation
- attempting to remove a test book or answer sheet or part thereof, or any notes, from the testing room
- failure to follow test supervisor's instructions at all times
- giving or receiving assistance during the test
- creating a disturbance
- using prohibited aids (e.g. notes, note paper, calculator, mobile phone, audio/recording device etc.)
- writing, or marking your test paper or answer sheet, during reading time or after the instruction is given to stop writing
- writing on your Admission Ticket during the test
- copying another candidate's work
- using the test questions, their content or information about them for purposes other than your sitting of the GAMSAT test is prohibited. This includes: publishing the GAMSAT questions or any of their content or information about them on the internet, any digital format or otherwise; and/or passing the GAMSAT questions, any of their content or information about them to third parties
- the giving of false or misleading information at any stage in connection with your participation in the GAMSAT test
- infringement of "ACER" or "GAMSAT" trade marks. Trade mark infringement includes performing any act which only a trade mark owner or a person authorised by the trade mark owner may do
- infringement of copyright. Copyright infringement includes: performing those rights or authorising the performance of those rights which are granted at law exclusively to the copyright owner. These rights include the exclusive right to reproduce the copyright work in a material form and to communicate that work to the public
- in any way breaching (as determined by ACER in its absolute discretion) any of the terms and conditions of (a) your registration to participate in the GAMSAT test; or (b) your purchase of any GAMSAT preparation materials
- infringement of any rights (including but not limited to intellectual property rights) whatsoever relating to or subsisting in the GAMSAT test or any part or element of it, including but not limited to the concept, structure, administration or conduct of the GAMSAT test, the GAMSAT trade mark and any GAMSAT preparation materials prepared or published by or on behalf of ACER or the Consortium of Graduate Medical Schools
- any act or omission by you which ACER, in its absolute discretion, renders you to be unfit to participate in any GAMSAT test, whether or not you are registered to participate in any GAMSAT test, whether or not you are registered to participate at the time of ACER's determination

CONSEQUENCES for misconduct may include **cancelling your registration to sit the GAMSAT test without any refund, withholding of your GAMSAT test results or disqualification from sitting any GAMSAT test** (whether it is the test for which you have registered or otherwise). It is also possible that the misconduct will be referred to any educational institutions (not limited to the members of the Consortium) or professional body or other third party to whom such misconduct might be of interest.

YOU ARE PUT ON NOTICE that except as expressly provided at law, there is no right to challenge, appeal or seek review of any determination by ACER that misconduct has occurred or in

relation to any consequences imposed by ACER for any misconduct. You should also be aware that your misconduct might also give rise to liability on your part to third parties, including but not limited to the members of the Consortium of Graduate Medical Schools.

ACER and the GAMSAT Consortium reserve the right to take legal action and claim any remedies available to them at law in respect of any incident of misconduct or where your conduct (whether or not it constitutes “misconduct”) infringes any of their rights.

Regards,

The GAMSAT Team
