

Reminder email No. 5 – 21 September 2020

Dear GAMSAT candidate

Please read this email carefully as it contains important information for GAMSAT September 2020.

Below are some tips that may be useful in your final preparations for the test day:

When you report to the test centre, you must bring with you:

- Your printed GAMSAT Admission Ticket filled in and signed (Note: Admission Tickets presented on electronic devices will not be accepted)
- Acceptable current and photo-bearing identification document as specified on the GAMSAT website: <https://gamsat.acer.org/sit/identification>
- Pencils, pen, sharpener, and eraser.
- A clear water bottle (no labels attached)
- Disposable gloves/hand sanitiser/alcohol or disinfectant wipes (optional)
Face mask/or shield (Mandatory)

PLEASE NOTE: You will need to bring **BOTH** your **Admission Ticket AND an acceptable original valid photo-bearing ID** to the test centre on the test day in order to sit the test. You will NOT be permitted to sit the test if you do not have these documents and your registration fee will be forfeited.

ACER will supply computers and/or laptops at the testing venues. Candidates do not have to bring their own devices. Scrap paper will be supplied at the testing venues.

For security reasons you will **not be permitted to take any photographs at the test centre.**

Large spaces like test centres can be difficult to heat/cool so to avoid being too cold or too hot, please wear layers. This way you can adjust your own comfort level. To minimise disturbance to other candidates please wear appropriate footwear, i.e. no heeled shoes.

Any issues relating to the test venue or physical discomfort should be brought to the attention of a test supervisor **immediately** so that they can be addressed without delay.

Unless you have prior approval from the GAMSAT Office, **no food (including sweets, lollies, nuts and chocolates) will be permitted in the test room.** It is recommended you have a good breakfast and take a snack to eat in the registration queue if you think you're going to get hungry and cannot wait until recess time. You may bring a clear bottle of water into the test room with you (no labels attached).

Clocks are provided in the test room. You may wear an analogue wristwatch, and any alarm or stopwatch features must be switched off. Digital and smart watches are prohibited.

We can't guarantee there will be food/drinks available at the test centres. We suggest you **take food along with you on the day**, but you will not be able to access it until the recess break. There will be limited space to store your bags. You are advised to bring only essential items, as neither the test centre nor the GAMSAT Office can be held responsible for the security of your belongings.

Regards,

The GAMSAT Team
ACER
