

Reminder email No. 2 – 30 August 2019

Dear GAMSAT Candidate,

Please read this email carefully as it contains important information for GAMSAT on Wednesday 11 September 2019.

Admission Ticket

Please note GAMSAT September 2019 Admission Tickets were released on Wednesday 28 August 2019. To collect your Admission Ticket please log in to your GAMSAT account (<http://registration.acer.edu.au>). Your GAMSAT account username is your registered email address. The Admission Ticket is your permission to attend the test centre and **MUST** be printed out and taken with you on the test day. **Test centres will not accept electronic Admission Tickets.**

Please check that your first and family name and date of birth on the Admission Ticket are correct and match your ID document. Middle names are not required on your Admission Ticket or account. If you require any changes to your personal details, please email us **immediately**. Test centre changes are no longer possible.

If you need to **update your identification document details**, please log in to your account and click on "Manage" next to your completed September 2019 registration in your dashboard, then on "Edit" below "Registration details". Please ensure that the **document expiry date** is correct and entered in the format **DD-MM-YYYY**. Your Admission Ticket will be updated automatically with the new details; please ensure you print your updated Admission Ticket.

Please fill in your identification document number (e.g. passport number / licence number) manually, sign your Admission Ticket beforehand, and have it ready with you on the test day.

What to bring on the test day

THE ONLY ITEMS YOU WILL BE ALLOWED TO TAKE WITH YOU INTO THE TEST ROOM ARE:

- Your **printed** GAMSAT September 2019 Admission Ticket (details filled in and signed)
- Acceptable current and photo-bearing identification document as specified in the Information Booklet and on the GAMSAT website.
- Pencil (medium soft No. 2 or HB recommended)
- Pencil sharpener (optional)
- Eraser
- Blue or black pen
- A clear water bottle (no labels attached)
- Candidates whose native language is not English may bring a **printed bilingual dictionary** into the test for use **in Section I and Section II only**. The pages must be unmarked and all notes removed. Electronic dictionaries are not permitted. Dictionaries containing **definitions of English words in English are not permitted**. The final decision on the suitability of dictionaries will be made on the test day by the test supervisors.
- Clocks are provided in the test room. You may wear an **analogue wrist watch**, and **any alarm or stopwatch features must be switched off. Digital and smart watches are not permitted.**
- Valuables such as wallets, keys and mobile phones may be placed under your desk during the test. Please note **mobile phones must be switched off** and placed face up under your

desk/chair. **Mobile phones must not be worn on your body and must not be accessed until you have been dismissed from the test centre.**

Note: All other items, including but not limited to calculators, pagers, stopwatches, audio or recording devices of any kind, MP3 players, digital watches, smart watches, activity trackers, earplugs, food, note paper, coloured pens/pencils, pencil cases, highlighters, and rulers are not permitted.

You are advised to bring **only essential items**, as neither the test centre nor the GAMSAT Office can be held responsible for the security of your belongings. There will be limited space to store your bags and you will not be allowed to access your bags until the lunch break.

It is recommended you have a good breakfast and take a snack to eat in the registration queue if you cannot wait until lunch time. There may not be canteen facilities at the test centres. You are advised to bring lunch, but you will not be able to access it until the lunch break.

Please note large spaces like test centres can be difficult to heat/cool. **To avoid being too cold or too hot, it is recommended to wear layers, which will allow you to adjust your own comfort level.**

Regards,
The GAMSAT Team
