

# Reminder email No. 5 – 21 March 2019

Dear GAMSAT candidate

**Please read this email carefully as it contains important information for GAMSAT on Saturday 23 March 2019.**

Below are some tips that may be useful in your final preparations for the test day:

**When you report to the test centre, you must bring with you:**

- **printed** GAMSAT March 2019 Admission Ticket (Admission Ticket on your phone/electronic device is not acceptable)
- acceptable current and photo-bearing identification document as specified on the GAMSAT website: <https://gamsat.acer.org/sit/identification>
- pencil, pen (blue or black ink), sharpener, and eraser.

**PLEASE NOTE:** You will need to bring **BOTH** your **Admission Ticket AND an acceptable original valid photo-bearing ID** to the test centre on the test day in order to sit the test. You will **NOT** be permitted to sit the test if you do not have these documents and your registration fee will be forfeited.

For security reasons you will **not be permitted to take any photographs at the test centre.**

Large spaces like test centres can be difficult to heat/cool so to avoid being too cold or too hot, please wear layers. This way you can adjust your own comfort level.

To minimise disturbance to other candidates please wear appropriate footwear, i.e. no heeled shoes.

Any issues relating to the test venue or physical discomfort should be brought to the attention of a test supervisor **immediately** so that they can be addressed without delay.

Unless you have prior approval from the GAMSAT Office, **no food (including sweets, lollies, nuts and chocolates) will be permitted in the test room.** It is recommended you have a good breakfast and take a snack to eat in the registration queue if you think you're going to get hungry and cannot wait until lunch time. **You may bring a clear bottle of water into the test room with you (no labels attached).**

We can't guarantee there will be food/drinks available at the test centres. We suggest you **take a lunch along with you on the day**, but you will not be able to access it until the lunch break. There will be limited space to store your bags. You are advised to bring only essential items, as neither the test centre nor the GAMSAT Office can be held responsible for the security of your belongings.

We wish you all the best for the test!

Regards,

The GAMSAT Team
